ASSIGNMENT

WHEREAS We, William G. Miller and Richard Phipps (collectively hereinafter "assignors") have invented an invention entitled Restaurant Videoconferencing System and Method, for which a provisional application is filed in the United States Patent and Trademark Office concurrently herewith, and

WHEREAS assignors wish to assign all rights in and to said invention to Looking Glass, Inc having an address at 2555 Pennsylvania Avenue, #1010 Washington D.C. 20037(hereinafter "assignee"),

NOW, THEREFORE, IN VIEW OF THE FOREGOING and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid to each of the undersigned

Assignors hereby sell and assign to the above named Assignee the entire right title and interest for the United States of America and throughout the world in the invention and in any and all applications thereon, in any and all letters Patent therefor, and in any and all extensions, renewals, divisions and continuations of such applications or Letters Patent to the full end of the term or terms for which such Letters Patent issue, such entire right, title and interest to be held and enjoyed by Assignee the same as they would have been held and enjoyed by the undersigned had this assignment and sale not been made.

The undersigned agree to execute all papers necessary in connection with the application(s) and any continuing, divisional, reissue or corresponding application(s) thereof throughout the world and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agree to execute all papers necessary in connection with any interference which may be declared concerning the application(s) or continuation, division or reissue thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned agree to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee.

The undersigned hereby authorize and request the Patent Office Officials throughout the world to issue any and all Letters Patent resulting from said application(s) to the said Assignee, as Assignee of the entire interest, and hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict herewith.
